State Universities are provided by the State Governments concerned. In respect of the Central Universities, Deemed Universities etc. the non-plan grants provided through the UGC have been steadily increasing over the years. However, due to inflation, increased activities etc. the Commission has been facing constraint on financial resources. The UGC has appointed a high-powered Committee under the Chairmanship of Justice K. Punnayya to look into the matter. The Chairman, UGC has also written to the Universities concerned to augment their resources wherever possible.

Nomination Letter for Commonwealth Scholarship

3376. SHRI G. Y. KRISHNAN: Will the Minister of HUMAN RESOURCE DEVELOPMENT be pleased to state:

(a) whether it is a fact that this Ministry has issued nomination letters for Commonwealth Scholarship to various candidates who qualified the interview test;

(b) if so, the detaits thereof alongwith the names of the candidates;

(c) whether it is also a fact that later on nomination of some of the candidates was cancelled without specifying any reasons;

(d) if so, whether Government propose to order an enquiry to look into the matter; and

(e) the steps Government propose to take to safeguard the interests of the candidates?

THE DEPUTY MINISTER IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT (DEPTT. OF EDUCATION AND DEPTT. OF CULTURE) (KUMARI SELJA): (a) Yes, Sir.

(b) The list of nominations made by the Government after selection for the award of Commonwealth Scholarships for the year 1993-94 is given in the statement annexed. (see below)

(c) No, Sir. The annual offer of Scholarships from the awarding countries categorically states that they solicit many more nominations than they expect to have scholarships to offer. In all such Scholarships/Fellowships the final acceptance is of the receiving country University.' Therefore, non-placement of some candidates even if names have been recommended by Government of India well in time is inherent in the scheme of things. This is made clear to all the nominees at the initial stage itself.

(d) and (e) Do not arise.
